**ORGANIC
 HEMP EXTRACT**

Whole Plant Hemp CBD / Non-Psychoactive

Miracles of Health provides the best quality products for your pets. We strive to improve their quality of life, especially during challenging moments. We recognize the value of using high quality, natural products and believe in the extraordinary power of alternative medicine.

Our Pet's Miracle Choice products are formulated with Certified Organic Whole Plant Hemp, infused in Certified Organic cold pressed unrefined premium Extra Virgin Olive Oil. Our Whole Plant Extract CBD helps with managing stress and anxiety in addition to providing relief from inflammation and pain.

Hemp derived cannabinoids have been cultivated for thousands of years, because they uniquely interact with the endocannabinoid system (ECS). Cannabinoids are naturally occurring compounds present in trace amounts in several plants, most notably in hemp. All mammals have a biological and neurological system specifically tasked to receive and process nutritional cannabinoids. This is the science behind our effective Pet's Miracle Choice.
